## 4 Hair Clips That You Must Have and Will Cherish

One hair accessory that is an ultimate essential for everyone is a hair clip. You can either wear your hair in an updo with it or can create a unique style with it. It's a versatile hair accessory that never goes out of trend.

Over the years, the world has seen a lot of variation in hair clips but some of the styles still remain the same. For instance, the classic snap hair clips which are easy to wear and look great as well. Similarly, there are many such clips that are still cherished by many.

Below we have listed some of the best hair clips that you must have in your kit. Continue to read them till the end.

### 1. Snap Hair Clips

As aforementioned, snap hair clips have been in the hair accessory game for a long time now. Every school girl sports this easy-to-wear clip and looks incredibly beautiful. But today, these clips are available in different styles that not only suits school girls but complements anyone really.

The funky print on top of these snap clips to elegant embellishments, they can match the style of persona of any individual. Just find your suitable pick from the wide selection available in stores.

### 2. Hair Barrettes

Also known as hair clasps, [hair barrettes](#) are a highly popular hair accessory that have been used for a while now. The reason why they are extremely popular is because of their elegant beauty and high level of security offered.

Most hair barrettes are made with two materials. The body of the hair barrette is made out of plastic while the clasp part of the barrette is made with metal. They are extremely decorative to look at.

Hair barrettes are perfect for any occasion and goes well with any outfit or hairdo.

### 3. Hair Jaw Clips

Hair jaw clips are typically used to wear a simple updo or twist and knot hairdo. Available in different sizes and colors, you can make your pick according to the thickness and length of your hair.

The jaw shaped clip structure gives your hair a great grip for holding up the hair in a nice bun or a knot. Almost, every hair jaw clip is made out of hypoallergenic material which means it is easy on the skin causing no allergies.

## **4. Banana Hair Clips**

Need an unusual kind of hair clip? Try out banana hair clips that can be used for wearing a ponytail without a hair tie. It works very similar to how a hair clasp. Your hair is tied into a ponytail not in a typical way but in an attractively unique way.

A perfect pick for everyday wear. Banana hair clips just like any other hair clips are available in different styles, colors and patterns. Make your choice as per your preference now.

## **Conclusion**

So, what are you waiting for? Try out any of the hair clips listed above and create a unique hairstyle. From [snap hair clips](#) to banana hair clips, these hair accessories are definitely worth a try.
